Command Exercise Program

- **GLOBAL LIGHTNING**
  - **Robust RCC white-cell support required (Scenario dependent)**
  - **Normally PACOM/EUCOM AOR**
  - **NORTHCOM (?)**
    - **USSTRATCOM JCS-Exercise funds**
- **GLOBAL STORM**
  - **Linked to Major RCC exercise**
    - **FY05 – PACOM/USFK**
    - **FY06 – NORTHCOM**
    - **FY07 – CENTCOM (?)**
    - **FY08 – TBD, possibly TERMINAL FURY**
  - **USSTRATCOM objectives in your exercise**
    - **Meets CJCS “linkage/exercise across seams” guidance**
    - **Joint Staff has embraced GS06**

Exercise Funding Issues

- **21% cut in FY05 JCS Exercise Funds**
  - **FY06 Uncertainty**
- **Impact:**
  - Reduced J37 contractor support
  - Reduced USSTRATCOM support to COCOM exercises
    - Planning conference attendance curtailed – Not all bad, but . . .
- **Similar cut to components – JIOC, AFSPC**
  - Reduced support
- **Command Training**
  - Reduced Battle Staff deployments opportunities
  - Pushing forward – reduced OPTEMPO, non-optimum locations

Exercise Funding Issues

- **FY06 – Reduced COCOM exercise support**
  - RSOI currently not-supported
  - BLUE ADVANCE not-supported (Except JIOC)
  - FLEXIBLE RESPONSE not-supported
  - 2 of 3 ABLE WARRIORs

- **GLOBAL LIGHTNING/GLOBAL STORM Combination**
  - Linked to NORTHCOM VIGILANT SHIELD/JS POSITIVE RESPONSE
  - Meets CJCS “linkage” & “COCOM seams” direction

- **STRATCOM J3 – “Train ourselves first”**
  - MCCC, ABNCP, NAOC deployment & battle staff training will take priority

USSTRATCOM Components and Exercise Coordination

- **USSTRATCOM reorganizing – Again!**

- **Joint Functional Component Commands**
  - Space & Global Strike
  - ISR
  - IMD
  - Net Warfare

- **Exercise Coordination Issues!**
  - USSTRATCOM J37 Single entry point for Regional COCOM Joint Exercise support requirements!

USSTRATCOM Components and Exercise Coordination

- **What does it mean?**
  - USSTRATCOM committed to providing operational & exercise support to Regional & Functional COCOM joint exercises
  - Different organizational structure changes coordination/planning
- **Exercise Coordination**
  - USSTRATCOM J37 Single entry point for Regional COCOM support requirements!
  - J37 will coordinate with JFCCs, who will task Service components
    - Coordination issues – “One-stop shopping for RCCs”
    - JCS-exercise funding impacts
    - Planning conference attendance

USSTRATCOM Support to SJFHQs

Purpose: **To advocate, integrate, coordinate, and communicate the USSTRATCOM Mission to the joint warfighter.**

Method: **Supporting COCOM's with *integrated, tailored, full-spectrum mission support* and advice with persons *trained in the USSTRATCOM Mission Areas of ISR, Global Missile Defense, Global Strike, Information Operations, and Space Support*. USSTRATCOM will develop and provide training programs to support mission area expertise for COCOM assigned personnel.**

Endstate: **Maximized support to the joint force commander with *permanent presence of USSTRATCOM mission area expertise* while reducing COCOM reliance on HQ STRATCOM augmentation.**

Billet Status

- **Current Status:**
  - **Requirement changed from 28 to 35**
  - **Initial 28 billets identified and prepared for transfer**

- **Additional 7 billets status:**
  - **Initiated billet sourcing effort for additional requirements…**
  - **Estimated completion end of December – Additional 7 to follow the 28 for Joint Staff submission**

- **Five additional Billets transferred as dedicated MILDEC planners**

- **Transfer Process:**

  MOA to COCOM for signature/concurrence…estimated completion mid/end January (?)
  - **Completed MOAs to Joint Staff to facilitate transfers**

Training Concept Development

- **Provide trained USSTRATCOM MAEs to each SJFHQ**
- **Train MAEs from COCOMs in USSTRATCOM mission areas as desired (i.e. Training offered to every block – 45 total bodies)**
  - **By-product/benefit: Train Joint Force Component Commands and HQ USSTRATCOM personnel in order to champion the integration and C2 of USSTRATCOM missions.**
- **Training Plan Concept:**
  - **Cross-Functional approach**
  - **Instructional Systems Design**
  - **Web-based Training**
  - **Long Term Vision**

Road Ahead

- Push approved billets to the Joint Staff
- Continue to resource training program
- Continued monitoring of JFCOM SJFHQ progress – emphasize STRATCOM role in the S/T development
- Continued dialogue with JFCOM Warfighter's Steering Group (WSG)
- Message to the field once Mission Area training is ready for Prime Time (expect training ready Apr/May 05)

COCOM Staff Training

- **USSTRATCOM lacks funding for long-term SJFHQ and COCOM staff training effort**
  - J374 Training effort stood up with FY04 EOY funds
  - Long-term funding outlook cloudy, at best

- **Status of additional funding?**
  - TC AoA initiative
  - Sep 04 WWJTC special-interest item
